ELIGIBILITY

1. General rules for all exhibitors, general rules for animal exhibits, and health requirements listed in the front of this book apply to this department.
2. The official guide for this show is titled, "Rules and Regulations for Equine Events ". Copies may be purchased at the Extension Office or can be found at www.extension.iastate.edu/store.
3. Additional rules follow:
 - a. Entries are open to 4-H and FFA members who are enrolled in the Horse and Pony project by May 15 of the current year.
 - b. **All owned or leased horses and ponies eligible for exhibit must have been properly identified in the iowa.4honline.com database (4-H'er) or on file with the Vocational Agriculture Instructor and with the Extension Office (FFA members) by May 15 of the current year.** Each exhibitor must identify the horse(s) being exhibited. The horse(s) identified will be exhibited by the listed exhibitor only.
 - c. A maximum of two horses can be leased. **A copied lease agreement must be on file at the Extension office by May 15. If a family has more exhibitors than owned horses, then more than one 4-H'er can identify the same horse. In this situation, an exhibitor can identify only one horse.** A maximum of **five** horses per member may be identified. A total maximum of five horses may be shown at the fair. **Refer to 4H202 for more details on ownership and identification requirements.** <http://www.extension.iastate.edu/4hfiles/agriculture/4H202Update2017.pdf>
 - d. All horses and ponies identified for (conformation) halter classes must be owned by the exhibitor or in partnership with a family member. Horse and ponies identified for skill classes (showmanship, driving, etc.) may be owned or leased. Exhibitors are expected to provide 75% or more of the management of the identified horse(s), or 50% in dually owned horses. Any professional training or training by a person other than the 4-H'er must be done prior to May 15 of the current year.
 - e. Mares with foal must be identified by May 15 of the current year. **The foal may be added to after birth by contacting the Extension office.** Sex, markings and color are needed for identification.
 - f. Male foals born after January 1 of current year can be shown. Yearling and older stallions are ineligible, and cannot be shown.

- g. While the fair is in progress, horses must stay in the area defined by the superintendents. They are not to be taken north of the horse barn, ridden among fairgoers, or ridden around town.
 - h. **Good sportsmanship and conduct of exhibitors are essential for the well-being of exhibitors and the audience. Unnecessary roughness or discourtesy may cause the exhibitor to be dismissed from further competition. No abuse of horses will be tolerated. Exhibitors must keep their animals under control at all times.**
 - i. **Only exhibitors listed with an identified horse may ride or work the horse until the judged horse event(s) have been completed.** Violation will disqualify the horse from further competition.
4. **All animals must be in a stall or pen if they are going to stay overnight. No animals may be left in or tied to trailers overnight.**

ENTRIES--STALLS--CHECK IN

- 5. To fill out your entries, go to <http://storyia.fairentry.com> and follow instructions carefully. **You have to enter specific classes. The late registration is outlined in general rules for all exhibitors.**
- 6. **In the appropriate place on website, designate the total number of horses you entered and total number of stalls you would use if enough stalls are available.** The Superintendents will assign stalls. You have the option of bringing your horse(s) the day of the show and working from your trailer.
- 7. **Only those animals that are identified in the iowa.4honline.com database are eligible to be stalled and shown at the county fair.** Exception to this rule would be for animals that are brought in for educational programs and have the approval from the superintendents.
- 8. **Any member using a stall must keep the horse there for the full five days of the fair except for show time, drill team practice, and exercising in the arena. Stall priority will be given to drill team members. ONLY 1 HORSE PER STALL EXCEPT A MARE WITH THIS YEAR'S FOAL.** If anyone wants to stall just part of the fair, it will have to be discussed with the superintendents; and, if the stall can be filled by another member's horse, it will be worked out.
- 9. ****YOU MAY WORK FROM YOUR TRAILER AND THEN TAKE YOUR HORSE HOME AFTER THE SHOW. Horses may not be penned or tied to the trailer overnight.*****
- 10. Horses must be fed and stalls cleaned by 7:30 a.m. and 7:00 p.m. daily. Each exhibitor is responsible for cleaning aisles, barns and grounds. Exhibitors must clean stalls and must receive a release from a superintendent before leaving the grounds at release time, Wednesday at 6:30 p.m. **Leaving without a release will result in a \$25.00 stall cleaning charge and no stall will be issued the next year.**
- 11. **VETERINARY CHECK IN** procedure for all horses is as follows: Find the veterinary check-in area near the horse ring and take your horse there immediately after unloading for the health check. The health clearance slip and horse should then proceed to the check in desk where ID papers will be checked, exhibitor numbers issued and class lists checked. (No previous health certificate is required). A health certificate issued by a licensed vet and dated 30 days before the fair starts issued in the horse's name may be used in lieu of the vet check at the fair. Exhibitors who desire not to stall their horses must work from a trailer. They must enter and check-in their horse during the designated check-in time the first day that it is shown.

CLASS SPECIFICATIONS

- 12. **Height** division for horses and ponies will be as follows (based on mature height: horse - 14-2 hands and over.) Pony included heights less than 58 inches. Miniatures include heights 38 inches and less. (See Rules and Regulations for Equine Events)
- 13. ****IF YOU SIGN UP FOR PONY CLASSES, YOUR PONY MAY BE MEASURED. ****
- 14. **Horse's Age** is used to divide halter classes. A horse's age is based on January 1, not the actual birth date. Horses increase in age one year each January 1st. Use January 1 as the date when determining the horse's age.
- 15. **THE IDENTIFIED HORSE MUST BE SHOWN BY THE NAMED EXHIBITOR.** This is a requirement for all classes including showmanship. The one exception is that if an exhibitor has two entries in one halter class, he or she could have another 4-H or FFA exhibitor show one entry. The maximum number of entries a member can make in a class is two. The exhibitor can enter in as many different classes as he/she is eligible for.
- 16. **CLOTHING/ATTIRE: Boots, jeans and an ASTM/SEI Helmet must be worn at all riding and driving times. All Class Dress Requirement** is a long sleeve white or colored (no bling) dress shirt or blouse (tie optional). A 4-H armband is required. Chaps cannot be worn in any class. **Western classes require that ASTM/SEI helmets and boots must be worn,** spurs are optional. Navy dark blue denim riding style jeans may be worn. Stone washed jeans are not allowed. **English classes require that ASTM/SEI helmets and boots must be worn.** English pants, a long sleeve white or light colored long sleeve shirt and a 4-H armband are required. In addition, an English bridle and saddle are mandatory. English Hunt coats are optional. Equipment requirements for each class will be as stated in "4-H Rules and Regulations for Equine Events in Iowa ". Legal bits and chinstraps are set out in "4-H Rules and Regulations for Equine Events in Iowa".
- 17. **First Year Horse Project Members ONLY:** You have the option of competing in EITHER the first year classes denoted with ^ OR to compete in any of the other performance classes. You cannot compete in both.

AWARDS

18. Performance Classes: In each class, the judge will select those entries deserving purple, blue, red, and white awards and place them in groups accordingly. Champions will receive a trophy.
19. Halter Champions: First and second place winners in the halter classes will return to the show ring after the scheduled halter classes, where the judge will determine the "Champion" horse or pony in each of the following classes: English halter, Western pony halter, and Western horse halter.

STATE FAIR

20. All classes of the Iowa State Fair 4-H Horse Show are open to any 4-H'er who has completed the 5th grade by the summer of 2018. **Entries are made by July 1 in <https://iowastatefair4hlivestock.fairentry.com>.**
