ELIGIBILITY

1. General rules, regulations and health requirements listed in the front of this book apply to this department.
2. The official guide for this show is titled, "Rules for 4-H Light Horse Shows and Events in Iowa". (Revised 2008) Copies may be purchased at the Extension Office.
3. Additional rules follow:
 - A. Entries are open to 4-H and FFA members who are enrolled in the Horse and Pony project by May 15 of the current year.
 - B. All owned or leased horses and ponies eligible for exhibit must have been properly identified on the Horse and Pony Identification Form due in the Extension Office by May 15 of the current year. Each exhibitor must identify the horse(s) being exhibited. The horse(s) identified will be exhibited by the listed exhibitor only. A leased horse is the only horse that can be identified and shown by the listed exhibitor. A copied lease agreement must be attached to the identification form for identified leased horses. **If a family has more exhibitors than owned horses, then more than one 4-H'er can identify the same**

- horse. In this situation, an exhibitor can identify only one horse.** A maximum of eight horses per member may be identified. A total maximum of four horses may be shown at the fair.
- C. All horses and ponies identified for (conformation) halter classes must be owned by the exhibitor or in partnership with a family member. Horse and ponies identified for skill classes (showmanship, driving, etc) may be owned or leased. Exhibitors are expected to provide 75% or more of the management of the identified horse(s), or 50% in dually owned horses. Any professional training or training by a person other than the 4-H'er must be done prior to May 15 of the current year.
 - D. Mares with foal must be identified by May 15 of the current year. The foal may be added to the identification form after birth. Sex, markings and color are needed for identification.
 - E. Male foals born after January 1 of current year can be shown. Yearling and older stallions are ineligible, and cannot be shown.
 - F. While the fair is in progress, horses must stay in the area defined by the superintendents. They are not to be taken north of the horse barn, ridden among fairgoers, or ridden around town.
 - G. **Good sportsmanship and conduct of exhibitors are essential for the well being of exhibitors and the audience. Unnecessary roughness or discourtesy may cause the exhibitor to be dismissed from further competition. No abuse of horses will be tolerated. Exhibitors must keep their animals under control at all times.**
 - H. **Only exhibitors listed on the Horse Identification Form may ride or work the horse until the judged horse event(s) have been completed. Violation will disqualify the horse from further competition.**
4. **All animals must be in a stall or pen if they are going to stay overnight. No animals may be left in or tied to trailers overnight.**

ENTRIES--STALLS--CHECK IN

To fill out the horse entry form (page 102) follow instructions carefully. List the breed and name of each horse or pony you plan to exhibit. **You have to enter specific classes. The late registration is outlined in general rules for all exhibitors.**

In the appropriate place on the form designate total number of horses you entered and total number of stalls you would use if enough stalls are available. Stalls will be assigned by the Superintendents. You have the option of bringing your horse(s) the day of the show and working from your trailer.

Only those animals that are on the Horse ID Form are eligible to be stalled and shown at the county fair. Exception to this rule would be for animals that are brought in for educational programs and have the approval from the superintendents.

Any member using a stall must keep the horse there for the full five days of the fair except for show time, drill team practice, and exercising in the arena. Stall priority will be given to drill team members. **ONLY 1 HORSE PER STALL EXCEPT A MARE WITH THIS YEAR'S FOAL.** If anyone wants to stall just part of the fair, it will have to be discussed with the superintendents; and, if the stall can be filled by another member's horse, it will be worked out.

****YOU MAY WORK FROM YOUR TRAILER AND THEN TAKE YOUR HORSE HOME AFTER THE SHOW. Horses may not be penned or tied to the trailer overnight.****

Horses must be fed and stalls cleaned by 7:30 a.m. and 7:00 p.m. daily. Each exhibitor is responsible for cleaning aisles, barns and grounds. Exhibitors must clean stalls and must receive a release from a superintendent before leaving the grounds at release time, Wednesday following the Spotlight on Youth. **Leaving without a release will result in a \$25.00 stall cleaning charge and no stall will be issued the next year.**

VETERINARY CHECK IN procedure for all horses is as follows: Find the veterinary check-in area near the horse ring and take your horse there immediately after unloading for the health check. The health clearance slip and horse should then proceed to the check in desk where ID papers will be checked, exhibitor numbers issued and class lists checked. (No previous health certificate is required). A health certificate issued by a licensed vet and dated 30 days before the fair starts issued in the horse's name, may be used in lieu of the vet check at the fair. Exhibitors who desire not to stall their horses must work from a trailer. They must enter and check in their horse during the designated check in time the first day that it is shown.

CLASS SPECIFICATIONS

Height division for horses and ponies will be as follows (based on mature height: horse - 14-2 hands and over.) Pony included heights less than 58 inches. Miniatures include heights 38 inches and less. (See Rules for Light Horse Show Rules)

****IF YOU SIGN UP FOR PONY CLASSES, YOUR PONY WILL BE MEASURED.****

Horse's Age is used to divide halter classes. A horse's age is based on January 1, not the actual birth date. Horses increase in age one year each January 1st. Use January 1 as the date when determining the horse's age.

Showmanship Previous winners of showmanship awards are not eligible to compete for the same award. When exhibitors advance into another age/grade group, they are eligible to compete again.

THE IDENTIFIED HORSE MUST BE SHOWN BY THE NAMED EXHIBITOR. This is a requirement for all classes including showmanship. The one exception is that if an exhibitor has two entries in one halter class, he or she could have another 4-H or FFA exhibitor show one entry. The maximum number of entries a member can make in a class is two. The exhibitor can enter in as many different classes as he/she is eligible for.

CLOTHING/ATTIRE: Boots, jeans and a ASTM/SEI Helmet must be worn at all riding and driving times. All Class Dress Requirement is a long sleeve white dress shirt or blouse (tie optional). A 4-H armband is required. Chaps cannot be worn in any class. **Western classes require that ASTM/SEI helmets and boots must be worn, spurs are optional. Navy dark blue denim riding style jeans may be worn. Stone washed jeans are not allowed. A long sleeve white shirt or blouse and the 4-H armband is required. **English classes require that ASTM/SEI helmets and boots must be worn.** English pants, a long sleeve white shirt and a 4-H armband are required. Also, an English bridle and saddle are mandatory. English Hunt coats are optional. Equipment requirements for each class will be as stated in "Rules for 4-H Light Horse Shows and Events in Iowa". Legal bits and chin straps are set out in "Rules for 4-H Light Horse Shows and Events in Iowa".**

AWARDS

1. Performance Classes: In each class the judge will select those entries deserving purple, blue, red, and white awards and place them in groups accordingly.
2. Halter Champions: First and second place winners in the halter classes will return to the show ring after the scheduled halter classes, where the judge will determine the "Champion" horse or pony in each of the following classes: English halter, Western pony halter, and Western horse halter.

STATE FAIR

1. All classes of the Iowa State Fair 4-H Horse Show are open to any 4-H'er who has completed the 5th grade by the summer of 2010. Entries are made through the Story County Extension Office by the date stated in the June 4-H newsletter. A current photo of the horse must accompany the registration paper.
