

Entry Date: Fri., July 22, 4:00 - 8:00 p.m.
Show: Tuesday, July 26, 2:00 p.m.

POULTRY

Superintendent: David Rickerl, Greg Sindt
Assistant Superintendent: Abbey Sindt
Pullorum-Typhoid Tester: David Rickerl

All entries must be tested for Pullorium Typhoid at the fair. Exhibitors will pay \$0.50 testing cost per bird entered

Refer to General Rules and Health Requirements for additional information.

1. **EXHIBITORS WITH ANY POULTRY ANIMAL MUST BE FOOD SAFETY QUALITY ASSURANCE (FSQA) CERTIFIED.**
2. Exhibitors may show only one (1) entry in each of the Production Pullet, Production Hen, Market Poultry, Turkey and Goose classes. Three entries may be made in each of the **two** Bantam Breeds classes and Standard Breed Chicken class for a total of **9** entries. All Bantam and Standard Breed Chicken entries must be of a **different breed**. Two entries may be made in the Pigeons, Doves classes and the Guinea, Pheasant, Quail, Pea Fowl classes for a total of 4 entries. **Three entries may be made in the Duck Class. All duck entries must be of a different breed.**
3. Poultry exhibits are to be entered beginning at 4:00 p.m. on Friday, July 22 and must be in place by **8:00 p.m.** Enter Poultry/Rabbit barn from the west. No substitutions may be made of any poultry exhibit after poultry have been entered except by permission of the Division Superintendent.
4. Each exhibitor is responsible for proper entering and placing birds in pens, however, Division Superintendents assign pens. **Birds are not to be placed in pens until they have been approved by the Poultry Superintendent. All entries must be tested for Pullorium Typhoid at the fair. Exhibitors will pay \$0.50 testing cost per bird entered.** Testing will start at 4:00 p.m. on Friday, July 22 in the west end of the Poultry Barn.
5. Pens must contain birds of the same sex and age. Large/unusual exhibits such as peacocks may need a special pen furnished by the exhibitor "and approved by the superintendent".
6. Exhibitors are responsible to feed and water their own birds. **Containers for feed and water will be provided by the Fairboard to ensure display uniformity. Water should be checked several times during each day. Poor herdsmanship (feeding, watering, & cleaning pens) may disqualify an exhibitor from showing. If an exhibitor is warned twice about caring for their bird(s), then the superintendents have the right to disqualify the exhibitor and require the exhibitor to take their bird(s) home immediately. Exhibitors will lose any premium money awarded after the fair.** Rules of the Herdsmanship Department apply to all Poultry exhibitors (see page 63).
7. Poultry exhibitors must provide their own wood chips or sawdust. Sand is not to be used as litter. At the end of the fair, litter/chips are to be disposed of at the designated site determined by the superintendents.
8. Birds not normally considered as poultry are to be shown in the Small Pet Division.
9. Production Poultry classes are for poultry raised to produce eggs. The basis of judging is uniformity, maturity (age considered), development, handling qualities, pigmentation, molt, and general conformation to breed characteristics.
10. The Pen of 3 Market Broiler/Roaster classes are for meat production birds under six months old. Entries will be judged according to USDA Production and Marketing Standards of quality for live poultry. Factors considered will include health, feathering, conformation, (breast, back, legs, and thighs), fleshing and fat covering. The pen must consist of birds of the same sex.
11. Market Turkey classes will be judged on the same standards as are the Market Broilers/Roasters. Breeding Turkey classes will be judged according to Standards of Perfection.
12. Ornaments: Pigeons, Doves, Guinea, Pheasant, Quail, and Pea Fowl will be judged on health, vigor, conformation, maturity (age considered) and development.
13. Waterfowl Class is judged according to the Standards of Perfection.
14. Show Champion and Reserve Show Champion will be selected from the Class Champions listed: Grand Champion Production Pen, Grand Champion Market Pen, Grand Champion Breeding Stock and Grand Champion Ornamental.
15. **Birds must be purchased prior to May 1 and under the care of the exhibitor after purchase.**

PRODUCTION PULLETS
