

## **EXPLANATION OF THE DIVISIONS OF THIS BOOK**

THIS BOOK IS DIVIDED INTO SECTIONS

**General Information Section**

**Animal Science Section**

**Science and Arts Section**

**Horticulture**

**Consumer & Family Sciences**

**Clover Kid Section**

The **General** Information section includes credits, fair schedule, working and hosting schedules, entry information, fair awards, fair queen information and general rules for exhibitors. **General rules apply to every division and, therefore, should be read by all exhibitors.** More specific rules for divisions or contests are found in the appropriate section.

The **Animal Science** section includes information on all animal projects.

The **Science and Arts** section includes information on Science and Engineering; Agriculture and Natural Resources; Expressive Arts; Personal Development, Communication and Small Pets.

The **Horticulture** section includes Home Garden and Vegetable Crops; Flower Gardening and Ornamentals, and Fruit.

The **Consumer & Family Sciences** section includes information on Food and Nutrition, Home Improvement, Clothing, Child Development, Consumer Management, **Clover Kid**, Fashion Revue, and Clothing Selection.
